

# UNDERSTANDING THE COMPLEX NEEDS OF THE LARYNGECTOMY PATIENT

Presented by: 21<sup>st</sup> Century C.A.R.E. & Lee Health  
A complementary lecture by:

## ANTHONY ANFUSO, MD

Head & Neck Surgeon,  
Head & Neck Surgical Cancer  
Specialists of SW Florida

## SAMANTHA JONES, MA, CCC-SLP

Clinical Educator,  
Atos Medical

**WEDNESDAY, MAY 29, 2019 | 5:30 - 7:00 PM**

Hilton Garden Inn | 12600 University Drive, Fort Myers FL | Dinner will be provided

Dr. Anfuso received his medical degree from the Medical College of Georgia and did his otolaryngology residency at West Virginia University. He then completed a fellowship at the University of Miami/Jackson Memorial Hospital in Head and Neck Surgical Oncology and Microvascular Reconstruction. He specializes in the surgical management of Head & Neck tumors and reconstructive surgery.

Prior to joining Atos, Samantha was a Clinical Specialist in voice and head/neck cancer at Carolinas Healthcare System's main campus in Charlotte, North Carolina. She has more than 20 years of experience as a speech-language pathologist with the last ten focused on the treatment of the head and neck cancer and laryngectomy populations.

## EDUCATIONAL OBJECTIVES

- Describe the indications for a total laryngectomy
- Describe the anatomy of a patient who has undergone a total laryngectomy
- List communication options for patients who have undergone total laryngectomies

## SCHEDULE

**5:30–6:00 pm:** Registration and cocktails  
**6:00–7:00 pm:** Dinner and lecture
